

## **Mirror Home Gym**

When you look into the mirror what do you see? A chance to grow stronger. An opportunity to push yourself. Room to beat your best. The mirror is a window into a fitness experience the world has never seen before. No matter who you are or where you are the Mirror lets you work out with world-class trainers in live or on-demand classes complete with encouragement when you need it...or don't think you need it. Measure your progress. Work out with friends. And when you're done, show off your achievements. Cause that was hard but worth it. No wait lists. No crowded parking lots. Just your home, The Mirror and you.
