

	:15 Chargers on CBS2
	<p>It's the rebirth of powder blue and the revival of an electrifying franchise with a new home and a new QB.</p> <p>But that wasn't enough. The Chargers signed CBS 2 to the team.</p> <p>Catch the beginning of a supercharged season. Only on CBS 2.</p>

Description:

Paint a natural arc from great to even greater. (Great does not mean loud.) The performance should have the natural passion and devotion of a fan who appreciates football and has deep pride for Los Angeles and the CBS2 news team. Be aware of stadium background and sports music as background, but not as sound you have to speak over to be heard.
